DETAILED ACTION

Allowable Subject Matter

1. Claims 1-13 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art of record does not teach or disclose the applicant's invention as claimed in detail wherein a circumferential groove formed in the inner bore between the upper and lower end, a load ring installed in said groove and a plurality of axial rows of dies with gripping surfaces protruding radially inward installed in each slip segment, some of the dies in each axial row being installed below the load ring and the remainder of the dies in each axial row being installed above the load ring.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
